

Location:	MONDAY			TUESDAY	WEDNESDAY	THURSDAY	FRIDAY		
	before Oct 3 SU	Oct 10 to Oct 24 SU	after Nov 7 SU	SU	UPC	SU	SU		
08:30									
08:45									
09:00	Complex systems	Complex systems	Complex systems	Complex systems	Quantum Mechanics	Statistical Physics until October Quantum mechanics from November	Numerical Methods		
09:15									
09:30									
09:45									
10:00									
10:15									
10:30									
10:45									
11:00									
11:15									
11:30									
11:45									
12:00									
12:15									
12:30									
12:45									
13:00									
13:15			Statistical Physics			Quantum Mechanics until October Statistical Physics from November			
13:30									
13:45									
14:00	Statistical Physics								
14:15									
14:30									
14:45									
15:00									
15:15									
15:30									
15:45									
16:00									
16:15			Statistical Physics						
16:30									
16:45									
17:00									
17:15									
17:30									
17:45									
18:00									
18:15									
18:30
