

# FIRST SEMESTER 2022-2023: ROOMS (version 10)

## Macroscopic and Complex Systems

Monday 9:00am to 12:00pm, September 12 to December 12 (but not November 7): **SU PM Curie campus: corridor 56-66, room 107**

Monday 9:00am to 12:00pm, November 7 (midterm exam): **SU PM Curie campus: amphitheater 56A (entrance near tower 56 on the ground floor)**

Tuesday 9:00am to 12:00pm, September 13 to December 13: **SU PM Curie campus: corridor 14-24, room 201**

## Statistical Physics

Monday 4:00pm to 6:30pm, October 10 to October 24: **SU PM Curie campus: corridor 23-33, room 207**

Monday 1:15pm to 3:45pm, November 7 to December 12: **SU PM Curie campus: corridor 56-66, room 107**

Thursday 9:00am to 11:30am: September 15 and 22: **SU PM Curie campus: corridor 13-14, room 109**

Thursday 9:00am to 11:30am: from September 29 to October 27: **SU PM Curie campus: 23-33, room 207**

Thursday 1:15pm to 3:45pm: from November 10 to December 15: **SU PM Curie campus: corridor 56-66, room 107**

## Advanced Quantum Mechanics

Wednesday 9:00am to 11:30am: from September 14 to November 30: **UPC: Halle aux farines building, room 279F**

Wednesday 9:00am to 11:30am: December 7 and December 14: **UPC: Halle aux farines building, room 579F**

Thursday 1:15pm to 3:45pm: from September 15 to October 27: **SU PM Curie campus: corridor 56-66, room 107**

Thursday 9:30am to 12:00pm: November 10 (midterm exam): **SU PM Curie campus: 24-34, room 207**

Thursday 9:00am to 11:30am: from November 17 to December 15 (but December 8): **SU PM Curie campus: 23-33, room 207**

Thursday 9:00am to 11:30am: December 8: **SU PM Curie campus: 24-34, room 207**

### **Numerical Methods**

Friday 9:00am to 5:00pm: from September 16 to December 16: **SU PM Curie campus: Atrium building: room 102**
